

Dear madames, Sirs:

I'm writing to comment on Sinclair network's decision to air bipartisan shows such as "Stolen Honor". This seems to be illegal (regardless of which candidate the shows concern), and I hope you will take their decision against the public interest seriously.

They have the privilege of using OUR airwaves, paid for by OUR taxes, and I hope there are repercussions for their actions--such as not renewing their license.

Sincerely,  
Sean Toren
